STUDIO NOTE · AWAITING CONFIRMED ENTRIES

This page is intentionally blank pending the artist's written confirmation of real acquisitions. Nothing is listed here that is not verifiable. The studio rule is simple: no fabricated collections, ever. The cost of a single false claim discovered by a curator or collector is permanent.

Verifiable placements

Two entries documented in the CV · publicly verifiable

Architectural Commission · Eden Roc Cap Cana, Dominican Republic · 2020

Licensed Edition · Liberty Puzzles · The Jill's Zeder Group Collection · 2025

Format example · illustrative, not actual entries

How private acquisitions will be listed once confirmed in writing by the artist

[Private Collection · Miami, Florida]

[Private Collection · Southampton, New York]

[Private Collection · Santo Domingo, Dominican Republic]

[Private Collection · Madrid, Spain]

RULES FOR THIS PAGE

1. Only acquisitions confirmed by the artist in writing appear here.
2. Names are never used without written collector consent.
3. "Private Collection" plus city is the default format.
4. Commissions and licensings list publicly verifiable counterparties only.
5. Institutional placements (museums, foundations) require the institution's written approval.
